LEGISLATIVE COUNSEL'S DIGEST

SB 1694, Torlakson. Driving under the influence: sanction.

(1) Under existing law, it is unlawful to drive a motor vehicle while under the influence of alcohol, a drug, or both, or 0.08% or more, by weight, of alcohol in one's blood, or while addicted to the use of a drug. There is another crime of driving under the influence of alcohol, a drug, or both, or with 0.08% or more, by weight, alcohol in one's blood, and causing injury to another person. Under existing law, for violations of each of these offenses, commonly known as driving under the influence and driving under the influence causing injury, respectively, (DUI) a court may impose sanctions, as specified. Existing law imposes increased sanctions on persons who have previously been convicted of DUI offenses within 7 years of the commission of the current offense.

This bill would substitute a 10-year condition for the 7-year condition as a condition to imposing the increased sanctions on repeat offenders and would make conforming changes. Because this would thereby increase the level of service on local law enforcement agencies, this bill would impose a state-mandated local program.

(2) Existing law authorizes a court to order a person convicted of a DUI offense to attend an alcohol and drug problem assessment program.

This bill would require a court to order a person who has previously been convicted of either a DUI offense that occurred over 10 years ago or disorderly conduct based on being found in a public place under the influence of alcohol or drugs, and who is currently convicted of a DUI offense to attend and complete that program. The bill would require the court to rely on certain information and records regarding the existence of a previous conviction occurring more than 10 years ago. The bill would authorize a court, if the program assessment recommends additional treatment, to order the person to enroll, participate, and complete an enhanced treatment program.

(3) Existing law requires a court to order a person to participate in an alcohol and drug problem assessment program if the person is convicted of a DUI offense that occurred within 7 years of a separate conviction of a DUI offense in which the person was required to attend a licensed program pursuant to a court order and the person failed to comply with the rules and policies of the licensed program, other than a rule relating to the payment of fees.

This bill would impose the above required court order based solely on the person being convicted of a DUI offense that occurred within 10 years of a separate violation of a DUI offense that resulted in a conviction, and would remove the requirement that the person had previously been court ordered to attend a licensed program and had failed to comply with the program's rules and policies.

(4) This bill would incorporate amendments to Section 13352 of the Vehicle Code contained in SB 1541 and SB 1697, with the amendments from each bill to become operative only if that section is amended by each bill or both bills, and if this bill is enacted after the other bill or bills.

(5) This bill would incorporate additional changes in Section 13352.6 of the Vehicle Code proposed by SB 1696, to be operative only if this bill and SB 1696 are enacted and become effective on or before January 1, 2005, each bill amends Section 13352.6 of the Vehicle Code, and this bill is enacted last.

(6) This bill would incorporate amendments to Section 13353 of the Vehicle Code contained in AB 3049 and SB 1697, with the amendments from each bill to become operative only if that section is amended by each bill, and this bill is enacted after the other bills.

(7) This bill would incorporate additional changes in Section 13353.3 of the Vehicle Code proposed by SB 1697, to be operative only if this bill and SB 1697 are enacted and become effective on or before January 1, 2005, each bill amends Section 13353.3 of the Vehicle Code, and this bill is enacted last.

(8) This bill would incorporate amendments to Section 13353.7 of the Vehicle Code contained in AB 3049 and SB 1697, with the amendments from each bill to become operative only if that section is amended by each bill, and this bill is enacted after the other bills.

(9) This bill would incorporate additional changes in Section 23540 of the Vehicle Code proposed by SB 1697, to be operative only if this bill and SB 1697 are enacted and become effective on or before January 1, 2005, each bill amends Section 23540 of the Vehicle Code, and this bill is enacted last.

(10) This bill would incorporate additional changes in Section 23612 of the Vehicle Code proposed by SB 1429, to be operative only if this bill and SB 1429 are enacted and become effective on or before January

1, 2005, each bill amends Section 23612 of the Vehicle Code, and this bill is enacted last.

(11) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares the following:

(a) Driving under the influence of alcohol or drugs, or both, (DUI) continues to be a significant threat to the public health and safety.

(b) Despite significant progress and declining rates of DUI in the last two decades, fatalities associated with this conduct have increased for the past several years.

(c) Two hundred thirty-six more people died from DUI conduct in 2001 than did in 1998.

(d) Nearly 180,000 people were arrested for DUI offenses in 2001, including 25 percent of whom were repeat offenders.

Instead of suspending the person's driving privilege, the department shall issue a restricted license upon receipt of an abstract of record from the court certifying that the court has granted probation to the person based on the conditions specified in paragraph (2) of subdivision (a) of, and subdivision (b) of, Section 23538.

(2) Upon a conviction or finding of a violation of Section 23153 punishable under Section 23554, the privilege shall be suspended for a period of one year. (3) Except as provided in Section 13352.5, upon a conviction or finding of a violation of Section 23152 punishable under Section 23540, the privilege shall be suspended for two years. Notwithstanding any other provision of law, if the person's restricted driver's license permits travel to and from and in the course of his or her employment, the person's privilege to operate a motor vehicle shall be suspended, subject to the restriction, for six months. After receiving proof of enrollment in the program, and if the person has not been arrested subsequent to the offense for which the person's driving privilege has been suspended under Section 13353.2 for a violation of Section 23103, as specified in Section 23103.5, or Section 23140, 23152, or 23153 of this code, or Section 191.5 or paragraph (3) of subdivision (c) of Section 192 of the Penal Code, and if the person's privilege to operate a motor vehicle has not been suspended or revoked pursuant to Section 13353 or 13353.2 for an offense that occurred on a separate occasion, notwithstanding Section 13551, the department shall, after review pursuant to Section 13557, suspend the person's privilege to operate a motor vehicle for 30 days and then issue the person a restricted driver's license under the following conditions:

(3) The restricted driver's license authorizes the operation of a motor vehicle only to and from the activities required under the program.

(4) If a person who has been issued a restricted license under this section fails at any time to participate in the program, the department shall suspend the restricted license immediately. The department shall give notice of the suspension under this paragraph in the same manner as prescribed in subdivision (b) of Section 13353.2 for the period specified in Section 13353.3, that is effective upon receipt by the person.

(b) If the court of jurisdiction in a criminal action arising out of the same offense orders the department to suspend or revoke the person's privilege to operate a motor vehicle or does not grant probation after conviction of that offense, notwithstanding subdivision (a), the department shall suspend or revoke the person's privilege pursuant to the order of the court or Section 13352.

(c) If the holder of a commercial driver's license was operating a commercial vehicle, as defined in Section 15210, at the time of the violation which resulted in the suspension of that person's driving privilege under Section 13353.2, the department shall, pursuant to this section, if the person is otherwise eligible, issue the person a class C driver's license restricted in the same manner and subject to the same conditions as specified in subdivision (a), except that the license shall not allow travel to and from or in the course of the person's employment.

SEC. 9.5. Section 13353.7 is added to the Vehicle Code, to read:

13353.7. (a) Subject to subdivision (c), if the person whose driving privilege has been suspended under Section 13353.2 has not been convicted of, or found to have committed, a separate violation of Section 23103, as specified in Section 23103.5, or Section 23140, 23152, or 23153 of this code, or Section 191.5 or paragraph (3) of subdivision (c) of Section 192 of the Penal Code, and if the person's privilege to operate a motor vehicle has not been suspended or revoked pursuant to Section

13353 or 13353.2 for an offense that occurred on a separate occasion within 10 years of the occasion in question and, if the person subsequently enrolls in a driving-under-the-influence program licensed under Section 11836 of the Health and Safety Code, as described in subdivision (b) of Section 23538, that person, if 21 years of age or older at the time the offense occurred, may apply to the department for a restricted driver's license limited to travel to and from the activities required by the program and to and from and in the course of the person's employment. After receiving proof of enrollment in the program, and if the person has not been arrested subsequent to the offense for which the person's driving privilege has been suspended under Section 13353.2 for a violation of Section 23103, as specified in Section 23103.5, or Section 23140, 23152, or 23153 of this code, or Section 191.5 or paragraph (3) of subdivision (c) of Section 192 of the Penal Code, and if the person's privilege to operate a motor vehicle has not been suspended or revoked pursuant to Section 13353 or 13353.2 for an offense that occurred on a separate occasion, notwithstanding Section 13551, the department shall, after review pursuant to Section 13557, suspend the person's privilege to operate a motor vehicle for 30 days and then issue the person a restricted driver's license under the following conditions:

(1) The program shall report any failure to participate in the program to the department and shall certify successful completion of the program to the department.

(2) The person was 21 years of age or older at the time the offense occurred and gives proof of financial responsibility as defined in Section 16430.

(3) The restriction shall be imposed for a period of five months.

(4) If a person who has been issued a restricted license under this section fails at any time to participate in the program, the department shall suspend the restricted license immediately. The department shall give notice of the suspension under this paragraph in the same manner as prescribed in subdivision (b) of Section 13353.2 for the period specified in Section 13353.3, that is effective upon receipt by the person.

(b) Notwithstanding subdivision (a), and upon a conviction of Section 23152 or 23153, the department shall suspend or revoke the person's privilege to operate a motor vehicle under Section 13352.

(c) If the holder of a commercial driver's license was operating a commercial vehicle, as defined in Section 15210, at the time of the violation that resulted in the suspension of that person's driving privilege under Section 13353.2, the department shall, pursuant to this section, if the person is otherwise eligible, issue the person a class C driver's license restricted in the same manner and subject to the same conditions

as specified in subdivision (a), except that the license may not allow travel to and from or in the course of the person's employment.

(d) This section does not apply to a person whose driving privilege has been suspended or revoked pursuant to Section 13353 or 13353.2 for an offense that occurred on a separate occasion, or as a result of a conviction of a separate violation of Section 23103, as specified in Section 23103.5, or Section 23140, 23152, or 23153, that violation occurred within 10 years of the offense in question. This subdivision shall be operative only so long as a one-year suspension of the driving privilege for a second or subsequent occurrence or offense, with no restricted or hardship licenses permitted, is required by Section 408 or 410 of Title 23 of the United States Code.

(e) This section shall become operative on September 20, 2005.

SEC. 10. Section 13353.8 of the Vehicle Code is amended to read:

13353.8. (a) After the department has issued an order suspending or delaying driving privileges as a result of a violation of subdivision (a) of Section 23136, the department, upon the petition of the person affected, may review the order and may impose restrictions on the person's privilege to drive based upon a showing of a critical need to drive, if the department determines that, within 10 years of the current violation of Section 23136, the person has not violated Section 23136 or been convicted of a separate violation of Section 23140, 23152, or 23153, or of Section 23103, with a plea of guilty under Section 23103.5, or of Section 191.5 of, or paragraph (3) of subdivision (c) of Section 192 of, the Penal Code, and that the person's driving privilege has not been suspended or revoked under Section 13353, 13353.1, or 13353.2 within that 10-year period.

(b) For purposes of this section, a conviction of an offense in a state, territory, or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or the Dominion of Canada that, if committed in this state, would be a violation of Section 23103, as specified in Section 23103.5, or Section 23140, 23152, 23153, or Section 191.5 or paragraph (3) of subdivision (c) of Section 192 of the Penal Code, is a conviction of that particular section of the Vehicle Code or Penal Code.

(c) As used in this section, "critical need to drive" means the circumstances that are required to be shown for the issuance of a junior permit pursuant to Section 12513.

(d) The restriction shall be imposed not earlier than the 31st day after the date the order of suspension became effective and shall remain in effect for the balance of the period of suspension or restriction in this section.

SEC. 11. Section 23217 of the Vehicle Code is amended to read:

23217. The Legislature finds and declares that some repeat offenders of the prohibition against driving under the influence of alcohol or drugs, when they are addicted or when they have too much alcohol in their systems, may be escaping the intent of the Legislature to punish the offender with progressively greater severity if the offense is repeated one or more times within a 10-year period. This situation may occur when a conviction for a subsequent offense occurs before a conviction is obtained on an earlier offense.

The Legislature further finds and declares that the timing of court proceedings should not permit a person to avoid aggravated mandatory minimum penalties for multiple separate offenses occurring within a 10-year period. It is the intent of the Legislature to provide that a person be subject to enhanced mandatory minimum penalties for multiple offenses within a period of 10 years, regardless of whether the convictions are obtained in the same sequence as the offenses had been committed.

Nothing in this section requires consideration of judgment of conviction in a separate proceeding that is entered after the judgment in the present proceeding, except as it relates to violation of probation.

Nothing in this section or the amendments to Section 23540, 23546, 23550, 23560, 23566, 23622, or 23640 made by Chapter 1205 of the Statutes of 1984 affects the penalty for a violation of Section 23152 or 23153 occurring prior to January 1, 1985.

SEC. 12. Section 23502 of the Vehicle Code is amended to read:

(b) The attendance in a licensed driving-under-the-influence program required under subdivision (a) shall be as follows:

(1) If, within 10 years of the current violation of Section 23140, the person has not been convicted of a separate violation of Section 23140, 23152, or 23153, or of Section 23103, with a plea of guilty under Section 23103.5, or of Section 655 of the Harbors and Navigation Code, or of Section 191.5 of, or paragraph (3) of subdivision (c) of Section 192 of, the Penal Code, the person shall complete, at a minimum, the education component of that licensed driving-under-the-influence program.

(c) The person's privilege to operate a motor vehicle shall be suspended by the department as required under Section 13352.6, and the court shall require the person to surrender his or her driver's license to the court in accordance with Section 13550.

by a fine of not less than three hundred ninety dollars (\$390) nor more than one thousand dollars (\$1,000). The person's privilege to operate a motor vehicle shall be suspended by the department pursuant to paragraph (3) of subdivision (a) of Section 13352. The court shall require the person to surrender the driver's license to the court in accordance with Section 13550.

(b) Whenever, when considering the circumstances taken as a whole, the court determines that the person punished under this section would present a traffic safety or public safety risk if authorized to operate a motor vehicle during the period of suspension imposed under paragraph (3) of subdivision (a) of Section 13352, the court may disallow the issuance of a restricted driver's license required under Section 13352.5.

SEC. 18. Section 23575 of the Vehicle Code is amended to read:

23575. (a) (1) In addition to any other provisions of law, the court may require that a person convicted of a first offense violation of Section 23152 or 23153 to install a certified ignition interlock device on any vehicle that the person owns or operates and prohibit that person from operating a motor vehicle unless that vehicle is equipped with a functioning, certified ignition interlock device. The court shall give heightened consideration to applying this sanction to first offense violators with 0.20 percent or more, by weight, of alcohol in his or her blood at arrest, or with two or more prior moving traffic violations, or of persons who refused the chemical tests at arrest. If the court orders the ignition interlock device restriction, the term shall be determined by the court for a period not to exceed three years from the date of conviction. The court shall notify the Department of Motor Vehicles, as specified in subdivision (a) of Section 1803, of the terms of the restrictions in accordance with subdivision (a) of Section 1804. The Department of Motor Vehicles shall place the restriction in the person's records in the Department of Motor Vehicles.

(2) The court shall require a person convicted of a violation of Section 14601.2 to install an ignition interlock device on any vehicle that the person owns or operates and prohibit the person from operating a motor vehicle unless the vehicle is equipped with a functioning, certified

ignition interlock device. The term of the restriction shall be determined by the court for a period not to exceed three years from the date of conviction. The court shall notify the Department of Motor Vehicles, as specified in subdivision (a) of Section 1803, of the terms of the restrictions in accordance with subdivision (a) of Section 1804. The Department of Motor Vehicles shall place the restriction in the person's records in the Department of Motor Vehicles.

(b) The court shall include on the abstract of conviction or violation submitted to the Department of Motor Vehicles under Section 1803 or 1816, the requirement and term for the use of a certified ignition interlock device. The records of the department shall reflect mandatory use of the device for the term ordered by the court.

(c) The court shall advise the person that installation of an ignition interlock device on a vehicle does not allow the person to drive without a valid driver's license.

(d) A person whose driving privilege is restricted by the court pursuant to this section shall arrange for each vehicle with an ignition interlock device to be serviced by the installer at least once every 60 days in order for the installer to recalibrate and monitor the operation of the device. The installer shall notify the court if the device is removed or indicates that the person has attempted to remove, bypass, or tamper with the device, or if the person fails three or more times to comply with any requirement for the maintenance or calibration of the ignition interlock device. There is no obligation for the installer to notify the court if the person has complied with all of the requirements of this article.

(e) The court shall monitor the installation and maintenance of any ignition interlock device restriction ordered pursuant to subdivision (a) or (f). If a person fails to comply with the court order, the court shall give notice of the fact to the department pursuant to Section 40509.1.

(f) (1) Pursuant to Section 13352, if a person is convicted of a violation of Section 23152 or 23153, and the offense occurred within 10 years of one or more separate violations of Section 23152 or 23153 that resulted in a conviction, the person may apply to the Department of Motor Vehicles for a restricted driver's license pursuant to Section 13352 that prohibits the person from operating a motor vehicle unless that vehicle is equipped with a functioning ignition interlock device, certified pursuant to Section 13386. The restriction shall remain in effect for at least the remaining period of the original suspension or revocation and until all reinstatement requirements in Section 13352 are met.

(2) Pursuant to subdivision (g), the Department of Motor Vehicles shall immediately terminate the restriction issued pursuant to Section 13352 and shall immediately suspend or revoke the privilege to operate

a motor vehicle of a person who attempts to remove, bypass, or tamper with the device, who has the device removed prior to the termination date of the restriction, or who fails three or more times to comply with any requirement for the maintenance or calibration of the ignition interlock device ordered pursuant to Section 13352. The privilege shall remain suspended or revoked for the remaining period of the originating suspension or revocation and until all reinstatement requirements in Section 13352 are met.

(g) A person whose driving privilege is restricted by the Department of Motor Vehicles pursuant to Section 13352 shall arrange for each vehicle with an ignition interlock device to be serviced by the installer at least once every 60 days in order for the installer to recalibrate the device and monitor the operation of the device. The installer shall notify the Department of Motor Vehicles if the device is removed or indicates that the person has attempted to remove, bypass, or tamper with the device, or if the person fails three or more times to comply with any requirement for the maintenance or calibration of the ignition interlock device. There is no obligation on the part of the installer to notify the department or the court if the person has complied with all of the requirements of this section.

(h) Nothing in this section permits a person to drive without a valid driver's license.

(i) The Department of Motor Vehicles shall include information along with the order of suspension or revocation for repeat offenders informing them that after a specified period of suspension or revocation has been completed, the person may either install an ignition interlock device on any vehicle that the person owns or operates or remain with a suspended or revoked driver's license.

(j) Pursuant to this section, an out-of-state resident who otherwise would qualify for an ignition interlock device restricted license in California shall be prohibited from operating a motor vehicle in California unless that vehicle is equipped with a functioning ignition interlock device. An ignition interlock device is not required to be installed on any vehicle owned by the defendant that is not driven in California.

(k) If a person has a medical problem that does not permit the person to breathe with sufficient strength to activate the device, then that person shall only have the suspension option.

(l) This section does not restrict a court from requiring installation of an ignition interlock device and prohibiting operation of a motor vehicle unless that vehicle is equipped with a functioning, certified ignition interlock device for a persons to whom subdivision (a) or (b) does not apply. The term of the restriction shall be determined by the court for a

period not to exceed three years from the date of conviction. The court shall notify the Department of Motor Vehicles, as specified in subdivision (a) of Section 1803, of the terms of the restrictions in accordance with subdivision (a) of Section 1804. The Department of Motor Vehicles shall place the restriction in the person's records in the Department of Motor Vehicles.

(m) For the purposes of this section, "vehicle" does not include a motorcycle until the state certifies an ignition interlock device that can be installed on a motorcycle. Any person subject to an ignition interlock device restriction shall not operate a motorcycle for the duration of the ignition interlock device restriction period.

(n) For the purposes of this section, "owned" means solely owned or owned in conjunction with another person or legal entity. For purposes of this section, "operates" includes operating vehicles that are not owned by the person subject to this section.

(o) For the purposes of this section, bypass includes, but is not limited to, either of the following:

(1) Any combination of failing or not taking the ignition interlock device rolling retest three consecutive times.

(2) Any incidence of failing or not taking the ignition interlock device rolling retest, when not followed by an incidence of passing the ignition interlock rolling retest prior to turning the vehicles's engine off.

SEC. 19. Section 23612 of the Vehicle Code is amended to read:

23612. (a) (1) (A) A person who drives a motor vehicle is deemed to have given his or her consent to chemical testing of his or her blood or breath for the purpose of determining the alcoholic content of his or her blood, if lawfully arrested for an offense allegedly committed in violation of Section 23140, 23152, or 23153. If a blood or breath test, or both, are unavailable, then paragraph (2) of subdivision (d) applies.

(B) A person who drives a motor vehicle is deemed to have given his or her consent to chemical testing of his or her blood or urine for the purpose of determining the drug content of his or her blood, if lawfully arrested for an offense allegedly committed in violation of Section 23140, 23152, or 23153.

(C) The testing shall be incidental to a lawful arrest and administered at the direction of a peace officer having reasonable cause to believe the person was driving a motor vehicle in violation of Section 23140, 23152, or 23153.

(D) The person shall be told that his or her failure to submit to, or the failure to complete, the required chemical testing will result in a fine, mandatory imprisonment if the person is convicted of a violation of Section 23152 or 23153, and (i) the suspension of the person's privilege to operate a motor vehicle for a period of one year, (ii) the revocation of

the person's privilege to operate a motor vehicle for a period of two years if the refusal occurs within 10 years of a separate violation of Section 23103 as specified in Section 23103.5, or of Section 23140, 23152, or 23153, or of Section 191.5 or paragraph (3) of subdivision (c) of Section 192 of the Penal Code that resulted in a conviction, or if the person's privilege to operate a motor vehicle has been suspended or revoked pursuant to Section 13353, 13353.1, or 13353.2 for an offense that occurred on a separate occasion, or (iii) the revocation of the person's privilege to operate a motor vehicle for a period of three years if the refusal occurs within 10 years of two or more separate violations of Section 23103 as specified in Section 23103.5, or of Section 23140, 23152, or 23153, or of Section 191.5 or paragraph (3) of subdivision (c) of Section 192 of the Penal Code, or any combination thereof, that resulted in convictions, or if the person's privilege to operate a motor vehicle has been suspended or revoked two or more times pursuant to Section 13353, 13353.1, or 13353.2 for offenses that occurred on separate occasions, or if there is any combination of those convictions or administrative suspensions or revocations.

(2) (A) If the person is lawfully arrested for driving under the influence of an alcoholic beverage, the person has the choice of whether the test shall be of his or her blood or breath and the officer shall advise the person that he or she has that choice. If the person arrested either is incapable, or states that he or she is incapable, of completing the chosen test, the person shall submit to the remaining test. If a blood or breath test, or both, are unavailable, then paragraph (2) of subdivision (d) applies.

(B) If the person is lawfully arrested for driving under the influence of any drug or the combined influence of an alcoholic beverage and any drug, the person has the choice of whether the test shall be of his or her blood, breath, or urine, and the officer shall advise the person that he or she has that choice.

(C) A person who chooses to submit to a breath test may also be requested to submit to a blood or urine test if the officer has reasonable cause to believe that the person was driving under the influence of a drug or the combined influence of an alcoholic beverage and a drug and if the officer has a clear indication that a blood or urine test will reveal evidence of the person being under the influence. The officer shall state in his or her report the facts upon which that belief and that clear indication are based. The person has the choice of submitting to and completing a blood or urine test, and the officer shall advise the person that he or she is required to submit to an additional test and that he or she may choose a test of either blood or urine. If the person arrested either is incapable, or states that he or she is incapable, of completing either

chosen test, the person shall submit to and complete the other remaining test.

(3) If the person is lawfully arrested for an offense allegedly committed in violation of Section 23140, 23152, or 23153, and, because of the need for medical treatment, the person is first transported to a medical facility where it is not feasible to administer a particular test of, or to obtain a particular sample of, the person's blood, breath, or urine, the person has the choice of those tests that are available at the facility to which that person has been transported. In that case, the officer shall advise the person of those tests that are available at the medical facility and that the person's choice is limited to those tests that are available.

(4) The officer shall also advise the person that he or she does not have the right to have an attorney present before stating whether he or she will submit to a test or tests, before deciding which test or tests to take, or during administration of the test or tests chosen, and that, in the event of refusal to submit to a test or tests, the refusal may be used against him or her in a court of law.

(5) A person who is unconscious or otherwise in a condition rendering him or her incapable of refusal is deemed not to have withdrawn his or her consent and a test or tests may be administered whether or not the person is told that his or her failure to submit to, or the noncompletion of, the test or tests will result in the suspension or revocation of his or her privilege to operate a motor vehicle. A person who is dead is deemed not to have withdrawn his or her consent and a test or tests may be administered at the direction of a peace officer.

(b) A person who is afflicted with hemophilia is exempt from the blood test required by this section.

(c) A person who is afflicted with a heart condition and is using an anticoagulant under the direction of a licensed physician and surgeon is exempt from the blood test required by this section.

(d) (1) A person lawfully arrested for an offense allegedly committed while the person was driving a motor vehicle in violation of Section 23140, 23152, or 23153 may request the arresting officer to have a chemical test made of the arrested person's blood or breath for the purpose of determining the alcoholic content of that person's blood, and, if so requested, the arresting officer shall have the test performed.

(2) If a blood or breath test is not available under subparagraph (A) of paragraph (1) of subdivision (a), or under subparagraph (A) of paragraph (2) of subdivision (a), or under paragraph (1) of this subdivision, the person shall submit to the remaining test in order to determine the percent, by weight, of alcohol in the person's blood. If both the blood and breath tests are unavailable, the person shall be deemed to

have given his or her consent to chemical testing of his or her urine and shall submit to a urine test.

(e) If the person, who has been arrested for a violation of Section 23140, 23152, or 23153, refuses or fails to complete a chemical test or tests, or requests that a blood or urine test be taken, the peace officer, acting on behalf of the department, shall serve the notice of the order of suspension or revocation of the person's privilege to operate a motor vehicle personally on the arrested person. The notice shall be on a form provided by the department.

(f) If the peace officer serves the notice of the order of suspension or revocation of the person's privilege to operate a motor vehicle, the peace officer shall take possession of all driver's licenses issued by this state which are held by the person. The temporary driver's license shall be an endorsement on the notice of the order of suspension and shall be valid for 30 days from the date of arrest.

(g) (1) The peace officer shall immediately forward a copy of the completed notice of suspension or revocation form and any driver's license taken into possession under subdivision (f), with the report required by Section 13380, to the department. If the person submitted to a blood or urine test, the peace officer shall forward the results immediately to the appropriate forensic laboratory. The forensic laboratory shall forward the results of the chemical tests to the department within 15 calendar days of the date of the arrest.

(2) (A) Notwithstanding any other provision of law, a document containing data prepared and maintained in the governmental forensic laboratory computerized database system that is electronically transmitted or retrieved through public or private computer networks to or by the department is the best available evidence of the chemical test results in all administrative proceedings conducted by the department. In addition, any other official record that is maintained in the governmental forensic laboratory, relates to a chemical test analysis prepared and maintained in the governmental forensic laboratory computerized database system, and is electronically transmitted and retrieved through a public or private computer network to or by the department is admissible as evidence in the department's administrative proceedings. In order to be admissible as evidence in administrative proceedings, a document described in this subparagraph shall bear a certification by the employee of the department who retrieved the document certifying that the information was received or retrieved directly from the computerized database system of a governmental forensic laboratory and that the document accurately reflects the data received or retrieved.

(B) Notwithstanding any other provision of law, the failure of an employee of the department to certify under subparagraph (A) is not a public offense.

(h) A preliminary alcohol screening test that indicates the presence or concentration of alcohol based on a breath sample in order to establish reasonable cause to believe the person was driving a vehicle in violation of Section 23140, 23152, or 23153 is a field sobriety test and may be used by an officer as a further investigative tool.

(i) If the officer decides to use a preliminary alcohol screening test, the officer shall advise the person that he or she is requesting that person to take a preliminary alcohol screening test to assist the officer in determining if that person is under the influence of alcohol or drugs, or a combination of alcohol and drugs. The person's obligation to submit to a blood, breath, or urine test, as required by this section, for the purpose of determining the alcohol or drug content of that person's blood, is not satisfied by the person submitting to a preliminary alcohol screening test. The officer shall advise the person of that fact and of the person's right to refuse to take the preliminary alcohol screening test.

SEC. 19.5. Section 23612 of the Vehicle Code is amended to read:

23612. (a) (1) (A) A person who drives a motor vehicle is deemed to have given his or her consent to chemical testing of his or her blood or breath for the purpose of determining the alcoholic content of his or her blood, if lawfully arrested for an offense allegedly committed in violation of Section 23140, 23152, or 23153, or if, while driving, is at fault in causing a traffic collision that is the proximate cause of a fatality. If a blood or breath test, or both, are unavailable, then paragraph (2) of subdivision (d) applies.

(B) A person who drives a motor vehicle is deemed to have given his or her consent to chemical testing of his or her blood or urine for the purpose of determining the drug content of his or her blood, if lawfully arrested for an offense allegedly committed in violation of Section 23140, 23152, or 23153, or if, while driving, is involved in a traffic collision that is the proximate cause of a fatality.

(C) (i) Except as provided in clause (ii), testing shall be incidental to a lawful arrest and administered at the direction of a peace officer having reasonable cause to believe the person was driving a motor vehicle in violation of Section 23140, 23152, or 23153.

(ii) Each driver who is at fault in causing a traffic collision that is the proximate cause of a fatality shall submit to testing under this section upon the direction of a peace officer.

(D) The person shall be told that his or her failure to submit to, or the failure to complete, the required chemical testing will result in a fine, mandatory imprisonment if the person is convicted of a violation of

Section 23152 or 23153, and (i) the suspension of the person's privilege to operate a motor vehicle for a period of one year, (ii) the revocation of the person's privilege to operate a motor vehicle for a period of two years if the refusal occurs within 10 years of a separate violation of Section 23103 as specified in Section 23103.5, or of Section 23140, 23152, or 23153, or of Section 191.5 or paragraph (3) of subdivision (c) of Section 192 of the Penal Code that resulted in a conviction, or if the person's privilege to operate a motor vehicle has been suspended or revoked pursuant to Section 13353, 13353.1, or 13353.2 for an offense that occurred on a separate occasion, or (iii) the revocation of the person's privilege to operate a motor vehicle for a period of three years if the refusal occurs within 10 years of two or more separate violations of Section 23103 as specified in Section 23103.5, or of Section 23140, 23152, or 23153, or of Section 191.5 or paragraph (3) of subdivision (c) of Section 192 of the Penal Code, or any combination thereof, that resulted in convictions, or if the person's privilege to operate a motor vehicle has been suspended or revoked two or more times pursuant to Section 13353, 13353.1, or 13353.2 for offenses that occurred on separate occasions, or if there is any combination of those convictions or administrative suspensions or revocations.

(2) (A) If the person is lawfully arrested for driving under the influence of an alcoholic beverage, or if, while driving, is at fault in causing a traffic collision that is the proximate cause of a fatality, the person has the choice of whether the test shall be of his or her blood or breath and the officer shall advise the person that he or she has that choice. If the person arrested either is incapable, or states that he or she is incapable, of completing the chosen test, the person shall submit to the remaining test. If a blood or breath test, or both, are unavailable, then paragraph (2) of subdivision (d) applies.

(B) If the person is lawfully arrested for driving under the influence of any drug or the combined influence of an alcoholic beverage and any drug, the person has the choice of whether the test shall be of his or her blood, breath, or urine, and the officer shall advise the person that he or she has that choice.

(C) A person who chooses to submit to a breath test may also be requested to submit to a blood or urine test if the officer has reasonable cause to believe that the person was driving under the influence of a drug or the combined influence of an alcoholic beverage and a drug and if the officer has a clear indication that a blood or urine test will reveal evidence of the person being under the influence. The officer shall state in his or her report the facts upon which that belief and that clear indication are based. The person has the choice of submitting to and completing a blood or urine test, and the officer shall advise the person

that he or she is required to submit to an additional test and that he or she may choose a test of either blood or urine. If the person arrested either is incapable, or states that he or she is incapable, of completing either chosen test, the person shall submit to and complete the other remaining test.

(3) If the person is lawfully arrested for an offense allegedly committed in violation of Section 23140, 23152, or 23153, or if, while driving, is at fault in causing a traffic collision that is the proximate cause of a fatality. and, because of the need for medical treatment, the person is first transported to a medical facility where it is not feasible to administer a particular test of, or to obtain a particular sample of, the person's blood, breath, or urine, the person has the choice of those tests that are available at the facility to which that person has been transported. In that case, the officer shall advise the person of those tests that are available at the medical facility and that the person's choice is limited to those tests that are available.

(4) The officer shall also advise the person that he or she does not have the right to have an attorney present before stating whether he or she will submit to a test or tests, before deciding which test or tests to take, or during administration of the test or tests chosen, and that, in the event of refusal to submit to a test or tests, the refusal may be used against him or her in a court of law.

(5) A person who is unconscious or otherwise in a condition rendering him or her incapable of refusal is deemed not to have withdrawn his or her consent and a test or tests may be administered whether or not the person is told that his or her failure to submit to, or the noncompletion of, the test or tests will result in the suspension or revocation of his or her privilege to operate a motor vehicle. A person who is dead is deemed not to have withdrawn his or her consent and a test or tests may be administered at the direction of a peace officer.

(b) A person who is afflicted with hemophilia is exempt from the blood test required by this section.

(c) A person who is afflicted with a heart condition and is using an anticoagulant under the direction of a licensed physician and surgeon is exempt from the blood test required by this section.

(d) (1) A person lawfully arrested for an offense allegedly committed while the person was driving a motor vehicle in violation of Section 23140, 23152, or 23153 may request the arresting officer to have a chemical test made of the arrested person's blood or breath for the purpose of determining the alcoholic content of that person's blood, and, if so requested, the arresting officer shall have the test performed.

(2) If a blood or breath test is not available under subparagraph (A) of paragraph (1) of subdivision (a), or under subparagraph (A) of

paragraph (2) of subdivision (a), or under paragraph (1) of this subdivision, the person shall submit to the remaining test in order to determine the percent, by weight, of alcohol in the person's blood. If both the blood and breath tests are unavailable, the person shall be deemed to have given his or her consent to chemical testing of his or her urine and shall submit to a urine test.

(e) (1) If the person, who has been arrested for a violation of Section 23140, 23152, or 23153, refuses or fails to complete a chemical test or tests, or requests that a blood or urine test be taken, the peace officer, acting on behalf of the department, shall serve the notice of the order of suspension or revocation of the person's privilege to operate a motor vehicle personally on the arrested person. The notice shall be on a form provided by the department.

(2) If a driver who is at fault in causing a traffic collision that is the proximate cause of a fatality and refuses or fails to complete a chemical test or tests, the peace officer, acting on behalf of the department, shall serve the notice of the order of suspension or revocation of the person's privilege to operate a motor vehicle personally on the person. The notice shall be on a form provided by the department.

(f) If the peace officer serves the notice of the order of suspension or revocation of the person's privilege to operate a motor vehicle, the peace officer shall take possession of any driver's license issued by this state that is held by the person. The temporary driver's license shall be an endorsement on the notice of the order of suspension and shall be valid for 30 days from the date of arrest or accident.

(g) (1) The peace officer shall immediately forward a copy of the completed notice of suspension or revocation form and any driver's license taken into possession under subdivision (f), with the report required by Section 13380, to the department. If the person submitted to a blood or urine test, the peace officer shall forward the results immediately to the appropriate forensic laboratory. The forensic laboratory shall forward the results of the chemical tests to the department within 15 calendar days of the date of the arrest.

(2) (A) Notwithstanding any other provision of law, a document containing data prepared and maintained in the governmental forensic laboratory computerized database system that is electronically transmitted or retrieved through public or private computer networks to or by the department is the best available evidence of the chemical test results in all administrative proceedings conducted by the department. In addition, any other official record that is maintained in the governmental forensic laboratory, relates to a chemical test analysis prepared and maintained in the governmental forensic laboratory computerized database system, and is electronically transmitted and

retrieved through a public or private computer network to or by the department is admissible as evidence in the department's administrative proceedings. In order to be admissible as evidence in administrative proceedings, a document described in this subparagraph shall bear a certification by the employee of the department who retrieved the document certifying that the information was received or retrieved directly from the computerized database system of a governmental forensic laboratory and that the document accurately reflects the data received or retrieved.

(B) Notwithstanding any other provision of law, the failure of an employee of the department to certify under subparagraph (A) is not a public offense.

(h) A preliminary alcohol screening test that indicates the presence or concentration of alcohol based on a breath sample in order to establish reasonable cause to believe the person was driving a vehicle in violation of Section 23140, 23152, or 23153 is a field sobriety test and may be used by an officer as a further investigative tool.

(i) If the officer decides to use a preliminary alcohol screening test, the officer shall advise the person that he or she is requesting that person to take a preliminary alcohol screening test to assist the officer in determining if that person is under the influence of alcohol or drugs, or a combination of alcohol and drugs. The person's obligation to submit to a blood, breath, or urine test, as required by this section, for the purpose of determining the alcohol or drug content of that person's blood, is not satisfied by the person submitting to a preliminary alcohol screening test. The officer shall advise the person of that fact and of the person's right to refuse to take the preliminary alcohol screening test.

(b) In any case charging a violation of Section 23152 or 23153, the court shall obtain a copy of the driving record of the person charged from the Department of Motor Vehicles and may obtain any records from the Department of Justice or any other source to determine if one or more

The court may obtain, and accept as rebuttable evidence, a printout from the Department of Motor Vehicles of the driving record of the person charged, maintained by electronic and storage media pursuant to Section 1801 for the purpose of proving those separate violations.

(c) If any separate convictions of violations of Section 23152 or 23153 are reported to have occurred within 10 years of the charged offense, the court shall notify each court where any of the separate convictions occurred for the purpose of enforcing terms and conditions of probation pursuant to Section 23602.
